ACCENT

VACANCY RATE & EMPLOYMENT RATE

A hand is shown holding a small globe of the Americas. The globe is illuminated from below, casting a glow on the hand. The text is overlaid on the upper portion of the globe.

Labour migration: The solution for the shortages on the labour market?

ACCENT

Experiences

- **Part of the solution**
- **Need for the systematical solutions to decrease the obstacles**
- **European vs non-European labour market**

Labour migration – possible obstacles

1. **Work Permit → single permit procedures**
2. **Housing**
3. **Cultural and social integration**
4. **Language:**
 - **availability of the job offers in English/French**
 - **availability of language courses for the migrants before and after leaving their country**

THANK YOU
